

**Nanodays 2009 Directions:** Chapman Hall is a short walk of the main drag of Franklins St. in downtown Chapel Hill. You can park downtown, at the Morehead Planetarium (which is also having a Nanodays event ;Come to both!), or at the Swain lot off of Cameron. The red thick red line below indicates a nice walking route between Morehead Planetarium and Chapman Hall. Chapman Hall is just behind Phillips Hall on Cameron Avenue. Walk back between Phillips Hall and Memorial Hall, and turn right. Chapman is directly behind Phillips. There will be signs up helping you find your way!
